Mary, on this day when we honor all mothers, we turn to you.
We thank the Lord whom you serve for the great gift of motherhood.
Never has it been known that anyone who sought your intercession was
left unaided. Dear Mother, thank you for your “Yes” to the invitation of
the angel which brought heaven to earth and changed human history.
You opened yourself to God’s word and the Word was made flesh
and dwelt among us.

Dear mother, may they find daily strength to say yes to the call,
to the sacrificial love - the very heart of the vocation of motherhood.
May their love and witness be a source of great inspiration for all of us
called to follow your Son.

On this Mothers day, Mother of the Word Incarnate, pray for us.

Jesuit ministries across Washington State are calling on our state legislature to create a COVID-19 relief fund for undocumented immigrants. Our undocumented neighbors pay taxes and are deeply impacted by the pandemic, yet they’ve been left out of every Federal relief bill. Will you join us by writing to your state legislator and asking them to support a COVID-19 worker fund for immigrants?
