

DEAR ST. ALOYSIUS PARISHIONERS,

In this holy season we come together as one faith community to celebrate profound love; God's love for the world, and our love for God, family, and friends. At the announcements of John's and Jesus' births, their parents said a yes to God that changes not only them but the world.

As with Mary and Joseph, as with the angels, shepherds, and the Magi, our yes changes us and can change the world around us. Amid our challenges, we can be tempted away from believing that Jesus continues to be born into our lives, but Jesus does. In this season, may we remain at the manger and may our hearts be strengthened as we celebrate the feast of Christmas.

Christmas blessings to you, your families, and your friends. May peace and health be yours, and may our world know this good news.

On behalf of the whole parish staff, Merry Christmas!

*The people who walked in darkness have seen a great light;
For a child is born to us, a son is given us;
upon his shoulder dominion rests.
They name him Wonder-Counselor, Prince of Peace.*
