

DID YOU KNOW

....that drinking

"Just Coffee" can reduce poverty south of our border and encourage families to remain in their local communities?

The parish delegation to the Southern Border wishes to make a difference toward minimizing migration and helping our Mexican sisters and brothers earn a sustainable income, by providing local work in their own country.

CAFÉ JUSTO, a fair trade grower owned coffee cooperative based in southern Chiapas, Mexico, was formed to address poverty and migration from Mexico to the U.S.

When you buy **CAFÉ JUSTO**, you buy directly from the growers. Each bag of coffee bears the name of the person who grew it! Please join our efforts to help struggling families earn a livable wage, while enjoying coffee that is truly **"DELICIOSO."**

Café Justo will be available for purchase after all Masses the weekend of July 23/24.

You may also pre-order by using this form.

Please make your choice of coffee. Then contact parishioner, Pat Sweeney, at 206-799-7277 or patsweeney526@gmail.com. **Pre-orders needed by July 10th.**
